I understand that participation in the activity described above involves a certain degree of risk that could result in injury or death. In consideration of the benefits to be derived and after carefully considering the risk involved, and in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions will be taken to ensure the safety and well-being of my son, I have given my son consent to participate in the campout detailed above on February 22-24, 2019. In case of emergency, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the physician selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections or medication for my child. I further agree to hold the above named unit and its leaders blameless for any accidents that might occur during this outing except for clear acts of negligence.
